STEERING COMMITTEE ACCOMPLISHMENTS IN 2012

ACMP TORONTO CHAPTER – MOTION TO INSTALL A TRANSITIONAL BOARD

Thank you for your responses to the motion to install a transitional board. We are pleased to announce there were no objections to the motion and we are moving to a transitional board January 1, 2013.

This motion enables us to continue our efforts on:

- 1) Developing the foundational infrastructure required to support a local chapter (includes the Chapter governance structure, bylaws, and administrative/operational processes).

2) Introducing an initial program of activities in 2013 that will focus on delivering our value proposition for members (includes key CM professional development topics identified by you as well as networking opportunities).

3) Allowing time and opportunity for member participation in Chapter volunteering activities to broaden interest in future board positions.
