

ACMP TORONTO CHAPTER

Advancing the discipline of change management in the GTA

September 20 2012 Newsletter

The Toronto Chapter of the ACMP continues to grow across the Greater Toronto Area (GTA). This is our second newsletter and we want to invite you to our event this **October 17, 2012**. This will be an exciting opportunity to introduce ourselves, to get to know one another and to share approaches to building a Toronto base of exceptional change management professionals.

We will:

- Share approaches to building change capabilities within organizations
- Understand how others implement change efforts
- Foster collaboration and networking across change leaders in a variety of industries

ACMP Toronto October 17, 2012 Invite

ACMP Toronto will hold their first event at The Centre for Social Innovation, 720 Bathurst Street in downtown Toronto on October 17, 2012. Starting at 6:00 p.m., the evening program will include interactive discussions with change industry leaders focused on generating excitement and commitment with ACMP Toronto members and prospective members.

Networking and sharing of best practices in change management, this evening session will be interactive and enjoyed in an informal, inviting and energizing atmosphere. You are welcome to join us at 5:30 to start the networking and join us for refreshments!

The Toronto venue selected for this event was chosen based on the shared space that establishes a great environment for new relationships, new projects and unexpected outcomes. The ACMP Toronto Chapter is excited about new ways of thinking, new opportunities and robust and flexible responses to common challenges.

The Event Agenda

- 5:30 - 6:00 PM Networking and Refreshments
- 6:00 - 6:30 PM Chapter Welcome
- 6:30 - 6:45 PM Survey Feedback
- 6:45 - 7:15 PM Interactive Session
- 7:15 - 7:30 PM Wrap Up

For more information and to register by **October 10, 2012** visit us at:

Centre for
Social
Innovation:

As a reminder, the ACMP Toronto Chapter Steering Committee is undertaking a survey to gain insight into how we can support our members and future members in supporting the development of our profession as well as members within the profession, by promoting and facilitating networking, collaboration, and peer learning through local programming.

Please click on the link that follows and fill in your answers to the 16 questions and submit them electronically by **October 5, 2012**.
