Introducing the **ACMP GLOBAL** Strategy 2020-2022

- Three mission pillars:

Grow the Community

Advance the Discipline

Optimize
Collaboration

- **STRATEGIC GOAL 1:**

*Develop and implement **ACMP's Global Growth Strategy** to create a thriving change management community.*

- **STRATEGIC GOAL 2:**

*Develop and **evolve a deliberate ACMP relationship with Business Leaders** to build capacity and understanding of the business value of change management.*

- **STRATEGIC GOAL 3:**

*Proactively **engage synergistic stakeholder organizations** to explore and harness shared value proposition and drive increased ACMP member value and experience.*

- **STRATEGIC GOAL 4:**

*Drive an **increasing presence in external and social venues** to raise the visibility of the Change Management profession and ACMP as its professional home.*

- **STRATEGIC GOAL 5:**

Enable application of the Standard for Change Management in sync with emerging organizational and business contexts and trends to provide relevant support to practitioners.

- **STRATEGIC GOAL 6:**

Curate the wealth of ACMP change management content to establish an accessible and useful digital resource in service to our members.

- **STRATEGIC GOAL 7:**

*Advance the Profession through **Relevant Independent Research** by commissioning qualified organizations to meet mutual needs and interests.*

- **STRATEGIC GOAL 8:**

*Harness the Innovation Mindset and Spirit Across the ACMP Ecosystem to **Create New Value and Expand Programming for Members.***

Grow the Community

Advance the Discipline

Optimize Collaboration

- **STRATEGIC GOAL 9:**

Enhance Our Member Experience Lifecycle to create added value of ACMP membership and increase renewal rates.

- **STRATEGIC GOAL 10:**

*Develop and Implement an **ACMP Technology Enablement Plan** to optimize member collaboration and overall ACMP experience.*
